

## Trista Cheng

DVM

Surgery

Doctor of Veterinary Medicine: Ross University School of Veterinary Medicine & Michigan State University (clinical phase)

Small Animal Surgery Residency: VCA Animal Specialty Group, Los Angeles

Dr. Cheng grew up in Toronto, Canada prior to attending Ross University School of Veterinary Medicine, completing her clinical year at Michigan State University. She completed her small animal rotating internship at BluePearl Pet Hospital - Southfield and small animal surgery internships at Animal Specialty Center and Animal Surgical Center of Michigan. Dr. Cheng then completed a 3-year surgery residency at VCA Animal Specialty Group in Los Angeles. Her interests include orthopedics such as fracture repair, soft tissue surgery, and minimally invasive surgery. Outside of work, Dr. Cheng likes hiking, traveling, trying new restaurants and loves to spend time at home with her pet rabbit.
